# 2<sup>nd</sup> Annual Workshop of the Recosy Project

EURATOM, EC FP7, Collaborative Project

16<sup>th</sup> - 19<sup>th</sup> March 2010

Larnaca

Cyprus

Chemistry Department

University of Cyprus

## General Information

The 2<sup>nd</sup> Annual Workshop of the Collaborative Project RECOSY will be held in Larnaca, 16<sup>th</sup> to 19<sup>th</sup> March 2010, hosted by University of Cyprus.

The workshop is held within the context of CP RECOSY. The 32 project Partners of Recosy include the key European Research Institutes and Universities from 13 EURATOM signatory states, Russia and one European Joint Research Centre. In addition there are Associated Groups to the project, participating in the meeting and the joint project program.

A specific **Topical Session** will be held on **“Redox determination by thermodynamic methods and the associated Thermodynamic Databases”**, organized by INE and AMPHOS teams.

The workshop will give the opportunity to project contractors to discuss formal issues, mainly to present and discuss scientific and technical results. This edition of the workshop includes **plenary sessions** where the results from the different work packages will be presented. This kind of sessions will foster collaboration and discussion between all the project participants.

**Poster sessions** will be organised. Multipartner posters are fostered.

## Objectives

**Provide for discussion, documentation, dissemination (proceedings) and future planning on all topics related to the Collaborative Project, both within the project and with a broader interested community.**
